San Angelo Christian Academy, established in 2004, is a private Christian school for children pre-kindergarten through twelfth grade. The school is located at 518 Country Club Road and shares a campus with Southgate Church of Christ.

The curriculum follows the guidelines set forth by the Texas Education Agency and the National Christian Schools Association.

The school received accreditation by the National Christian School Association in April, 2010. By unanimous vote, the External Review Team formally recommended reaccreditation of San Angelo Christian Academy to the NCSA Board of Commissioners on April 26, 2017. NCSA is a member of Texas Private School Accreditation Commission, an organization recognized by the Texas Education Agency for Accreditation.

San Angelo Christian Academy has joined the 250 member Texas Association of Private and Parochial Schools (TAAPS).

San Angelo Christian Academy has its own chapter in the National Honor Society.

In addition to the regular curriculum, daily Bible study and instruction in Christian moral and spiritual values are emphasized.

GENERAL STATEMENT OF PHILOSOPHY
San Angelo Christian Academy provides an educational choice emphasizing academic, spiritual, and physical development. Lessons are designed to prepare graduates to pursue higher education. On the belief that each person is created in the image of God, San Angelo Christian Academy exists to provide the student an environment in which he may develop “in wisdom and stature, and in favor with God and men” (Luke 2:52).

This philosophy is based upon acceptance and application of the Bible as the inspired Word of God and declares that Jesus Christ is the Lord of all the universe and is, therefore, the Lord of all the subjects taught at San Angelo Christian Academy. We reject the idea that religion can be compartmentalized and practiced only in organized chapel and Bible classes. The apostle Paul says in II Corinthians 10:5, “…we take captive every thought to make it obedient to Christ.” With God’s help, San Angelo Christian Academy will make Jesus the Lord of the classroom in Mathematics, History, Science, and every other academic discipline.

While the school can serve to reinforce Christian values, responsibilities, and conduct, it is mainly the parent’s obligation to help the child develop Godly character traits. To accomplish these objectives, the parent:

- Recognizes that the school is an extension of the parent while the child is at school.
- Teaches the child respect for the law, for authority, for the rights of others, and for private and public property.
- Shares with the child and with the school an active interest in the child’s schoolwork and personal development.
- Arranges for the child’s regular school attendance.
- Cooperates with the school in carrying out disciplinary action when such action is necessary.
- Models Matthew 18:15 by going to the appropriate person (student, teacher, administrator, school board president, board grievance committee) and communicating with the school regarding his/her child by following this communication policy:

1. Grievances are handled most satisfactorily at the level at which they occur. Therefore, if a parent has a staff/faculty-related grievance, an attempt must be made to settle the matter first with the staff/faculty member.
2. If no satisfactory solution is reached, the family will direct the complaint to the administrator for resolution. A record of the complaint will be made by the administrator who will schedule a conference, possibly including all parties. Every attempt will be made at mediation, understanding, and resolution.
3. Finally, unresolved grievances will be communicated to the board president, who may refer items of concern to the board grievance committee.

We hope we can resolve any concern informally in a cooperative, Christian atmosphere. In this spirit, we will model peacemaking for each other and for our children. At San Angelo Christian Academy, our goal is to develop moral excellence, knowledge, self-control, perseverance, godliness, brotherly kindness, and love in the young people with whom we have the opportunity to work. Our role as a Christian school is to play an integral part in the development of the family, church, and school. Our mission is to compliment home and church in a manner that builds up and affirms our children’s faith in God and guides them in their service to our fellow man through the church, their family, and society.
GENERAL STATEMENT OF GOALS

Academic development will be attained by the following:

- Providing opportunities for logical thinking processes including analysis, evaluation, synthesis, and problem solving.
- Encouraging creative thinking processes in terms of developing new ideas and solutions.
- Encouraging an understanding and appreciation for literature and the cultural arts.
- Providing opportunities for participation in the “fine arts” (art, music) and cultural programs.

Spiritual development will be achieved by the following:

- Promoting understanding of the Christian faith and an appreciation of Christian values.
- Participating in daily chapel, and other opportunities for devotionals and worship.
- Promoting student leadership in daily chapel, other opportunities for devotion and worship.
- Studying the Bible and learning scriptures that will provide needed strength in everyday living.
- Encouraging the internalization of ethical and moral standards, a Biblical Worldview, personal faith, and respect for devotion.
- Teaching skills for Christian living, including decision-making strategies, methods of communicating Biblical faith, acceptance of personal responsibility, and showing honor for those who are placed in authority.

Citizenship will be developed by the following:

- Exemplifying pride in our American heritage and encouraging a sense of patriotism through loyalty and service to one’s country, community, congregation, school, and family.
- Examining other cultures, languages, and stressing the importance of respect for the rights of others.
- Encouraging a sense of self-respect and worth.
- Providing current information on local, state, national, and world affairs, seeking through all available means to be well informed.

Physical development will be pursued by the following:

- Encouraging the achievement and maintenance of good health, wholesome habits, and physical fitness.
ADMISSION

San Angelo Christian Academy does not discriminate on the basis of race, color, sex, religion, nationality, or ethnic origin in the administration of its educational policies, admission policies, scholarship, athletics, and other school-administered programs. San Angelo Christian Academy reserves the right to deny admission or continued enrollment to any applicant it determines is unqualified on the basis of personal conduct, character, or academic preparation inconsistent with the purposes, objectives and religious tenets of the school.

Below is a list of criteria that will be considered before accepting or rejecting a student for admission to San Angelo Christian Academy. Decisions will be based on a combination of the following criteria:

The student shall:

- Be eligible for re-enrollment in school last attended.
- Not have been suspended or expelled from school last attended.
- Have a cumulative grade average no lower than 70 and score a minimum of 50% on standardized achievement tests.
- Present a transcript of grades from present and past school year.
- Have a favorable recommendation from last school attended.
- Give authorization to school last attended to release needed information.
- Be free of severe learning and/or behavioral problems.
- Not be coming directly from any type of rehabilitation program (i.e. drugs, alcohol, mental, etc.).
- Present a current immunization record which meets Texas Health requirements.
- Participate in a parent/student interview, if requested.
- Receive approval for enrollment from SACA Administration.

If any of the above criteria are not met, the case must be taken to the Admissions Committee for approval before the student is admitted.
REGISTRATION, TUITION, AND REFUNDS

For questions or more complete information, please contact the SACA administrative offices.

All details concerning registration, tuition, and refunds are contained in the enrollment contract. Because questions arise concerning tuition refunds, the policy is restated for your reference.

“Because financial obligations must be made for personnel and other expenses long before the school year begins, a financial strain is experienced when students enroll and then withdraw before the year is completed.

SACA has adopted a policy whereby parents or guardians are responsible for the entirety of the tuition and fees. Therefore, parents may be released from their contractual obligation only if the withdrawal occurs during the first six weeks for present or previously enrolled students, and nine weeks for new, first time students. There will be no refund of fees.

It is further agreed that enrollment as specified within this Enrollment Contract, may be canceled in writing, without penalty (except forfeiture of the deposit or registration fee) prior to August 1st.

Payments are accepted in the school office if, (paid in full). Or, a (ten) month payment plan may be set up through FACTS Management. Information about FACTS can be found on the school website.

Any account that is more than 60 days past due, will be referred to the school board for resolution.”
ATTENDANCE

School success is closely related to good attendance. It is imperative that school time has the highest priority in your family planning. The school, however, realizes that absences are sometimes necessary due to illness, death, and other emergencies. Parents are expected to call or email the school office if a student is going to be absent or tardy.

A note of explanation should accompany each student upon return from a doctor visit and should be given to the school office upon his/her return to school. Students must sign in at the office before returning to class.

A note of explanation should accompany each student upon return from an extended absence. It must be given to the school office upon return to school. This note should state the reason for, and date(s) of, the absence. The note must be signed by a parent or guardian. Absences of five (5) or more consecutive school days require a physician's statement concerning the illness before the student may re-enter the classroom.

Ten unexcused absences in a semester could result in loss of credit for that semester. Parent-administrator conferences will be held to assess the situation and to make sure the student is still on track with his/her academic development.

In cases where a student will miss several days, the teacher needs to be contacted as soon as possible so that make-up work can be planned with the parent and student. Students will have one (1) day to make up daily assignments for each day of absence. Absence does not excuse the student from participating in previously scheduled tests or quizzes upon their return to school. Additionally, absence does not extend deadlines or due-dates for assignments given prior to the student missing school.

SACA discourages trips of any kind while school is in session since any absence affects the learning process. If a trip is unavoidable the school requests the following actions:

- Notify the school office in writing as soon as possible, preferably one week prior to leaving town.
- Make arrangements for make-up work.
- Any major assignment(s) due during the absence must be turned in prior to leaving on the trip.
- The trip must be approved in writing by the administrator, and the student must be in good academic standing for it to be considered an excused absence.

Trips without prior approval will likely be unexcused without permission to turn in make-up work.
TARDIES

Classes begin promptly at 8:00 a.m. and all students are expected to be on time.

Students are counted tardy if they arrive after 8:00AM or the beginning of a class period. They will be counted absent for any class or part of the school day that they miss.

Tardiness is most often caused by bad habits and poor planning. Late arrivals are very distracting to classroom instruction. SACA urges you to please have your child at school on time each morning. A student is considered absent if more than 15 minutes late to a class period or missing from the class period.

TARDY POLICY:

• First 3 tardy arrivals (per semester) are excused. At the third tardy, an electronic notice will be sent to parents making them aware that with a fourth tardy, there will be consequences.
• Fourth offense - Student will serve lunch detention.
• Fifth offense - Administrator/parent conference. Student serves lunch detention
• Sixth offense – Administrator/student conference. Behavior Form and due date assigned. Further tardies will earn an after-school detention.
• Seventh - tenth tardy - After-School detention served in Administrator's office; 15, 30, 45, and 60 minutes, accordingly.

Tardy records are cleared at mid-term, and students get a fresh start.

LOSS OF CREDITS

Any student with more than ten (10) absences (excused or unexcused) during any semester may not receive credit for the semester’s work. In cases of major illness, documented by a physician, or in other special circumstances, an appeal may be made to the Administrator. If a student misses more than 20 days of school, they face the possibility of being retained.
DAILY SCHEDULE

School begins promptly at 8:00 am. Students may arrive at school or be dropped off at school no earlier than 7:40AM. **Do not drop off students before 7:40AM. No school personnel are on duty before 7:40AM. SACA is not responsible for the safety or well-being of students dropped off prior to 7:40AM in violation of this policy.**

Pre-school through fourth will report to the playground (weather permitting) until time for class to start. When weather does not permit outside play, the children will report to the assigned teacher’s room. At 7:59 a.m. students will be released to report to home room. Fifth through twelfth grades will report to their first period classroom upon arrival at school.

In the afternoon, pre-kindergarten students will be dismissed at **2:15PM.** All other grades will be dismissed at **3:30PM.**

Students will be monitored at the front entrance as they are picked up by parents or other approved adults. Park in a designated parking place if you need to come into the building and visit. **PLEASE DO NOT PARK IN THE TRAFFIC LINE.**

**If you need to pick up your child early for any reason, check in at the front office.** You **must** sign your child out, then he/she will be called to the office to meet you. For the safety of your child, please cooperate with us in this matter.

CHAPEL

Some of the most rewarding school experiences are the daily chapel services. Attendance is required by all students. Tardiness and unexcused absence from chapel carry the same consequences as tardiness and unexcused absence from class. Parents and guests are always invited. Included in the daily Chapel activities will be the reciting of the national and state Pledge of Allegiance.

CHAPEL SCHEDULE:

Pre-K through Kindergarten: 8:30am - 8:45am  
1st through 4th grade: 11:00am – 11:20am  
5th through 12th grade: 12:46pm – 1:06pm  
All school chapel: Last Friday of every month at 1:45pm
EMERGENCY CLOSING

School closing, or delay, due to bad weather will be announced on the TV stations by 6:30AM. It will be posted on the SACA website www.sanangelochristianacademy.org. School closings or delays, will follow the San Angelo Independent School District’s schedule. In case of emergency closing during the school day, parents will be called or notified of early closing.

FIRE AND TORNADO DRILLS

**Fire Drills:** When the fire alarm sounds, it is important that each student follows the directions of the teacher. A calm, quiet and orderly evacuation of the buildings is very important. Maps are posted in the buildings indicating evacuation routes.

**Disaster Drills/Lock-down Drills:** Students and staff will be notified by PA system. They will move to a designated area where students and staff will remain until released by administration personnel.

SACA has an emergency preparedness plan that includes lock-down procedures. Teachers are trained and an annual drill including students is conducted.

CONFERENCES

Conferences between parents and teachers are important to good communication. There are set days at the end of each quarter for conferences. There will be a Student Holiday/Teacher Workday for conferences on **October 11, 2019**. There will be Noon Releases for conferences on **January 17 and March 20, 2020**.

Parents are welcome to schedule additional conferences at any time.

**Call or e-mail to set up conference times.**

Please do not assume a teacher or staff member will have time for unscheduled conferences at the end of the school day. Conferences must be scheduled.
VISITORS

Upon approval from the principal and classroom teacher, students are allowed to bring visitors to class and to other school activities. Parents wishing to make an extended visit to the classroom will need to make prior arrangements with the administrator.

For the safety of our students we ask all visitors to sign in at the SACA Office, located in the Primary Building. To provide additional safety our campus is also monitored with an audio/visual surveillance system.

TRAFFIC PATTERN

Please come from the north end of the parking lot to drop off and pick up children.

DO NOT U-TURN; exit to the south.

If you wish to watch or accompany your child to the classroom, park in the designated parking spaces, not in the flow of traffic. Be considerate of those behind you and move out as quickly as possible. Please do not leave your car unattended in the loading lanes.

Please enter from the north end of the parking lot, and exit to the south.

A speed limit of 10 mph will be in effect for all vehicles on campus at all times.

STUDENT DRIVERS

SACA has adopted an OPEN CAMPUS Policy for high school students. Students with their own vehicle may leave campus for lunch. Student drivers should follow the established traffic flow (north to south) and observe the 10 mph speed limit on campus.

If any additional student is going to leave with the driver, both students must have written permission from their parents. Permission remains in effect till parents revoke it.
E-mailed or written permission MUST BE on file in the office.
If a student misses any part of a school day - regardless of whether he/she is the driver or passenger - disciplinary action will be taken. OPEN CAMPUS is a privilege, not a right and will be revoked if abused.

**SCHOOL LUNCHES**

Students will need to bring a sack lunch to school on the days we do not offer a hot lunch. Please make every effort to send healthy, nutritious lunches. Nutritious lunches will give your child the energy and brain power needed to be successful in school.

On Mondays, Thursdays and Fridays, **beginning August 22, 2019**, we offer a catered or prepared lunch for the students at the cost of $4.00 per meal. These meals are served in the Southgate Fellowship Hall and allow the classes to have lunch together.

An envelope will be sent home in the Monday Folder during the last week of the month. Please mark the envelope with your child’s menu choices and enclose the proper amount of CASH or a CHECK made out to: **SACA LUNCH ACCOUNT**. Return payment to 1st period/homeroom teacher by slated date. You may send one check for all of your children’s lunches; please send separate lists for each child, as it makes it easier for the lunch ladies to know how many in each class are eating in the lunchroom.

It is very important that the **Lunch Envelope be returned by the date requested.** Because we sometimes use meals catered from outside sources (Chick-fil-A, Little Caesars), it is imperative we have as close a count as possible. Please help us out by marking and returning your envelope promptly.

**High School Open Campus**

High School students who remain on campus for lunch have a choice of spots for eating their meal. Students may eat in the cafeteria, at the picnic table, fountain, arrival hood or with a teacher if given permission. Students may not eat in cars or at other locations on campus.

**PARTIES**

A limited number of class parties will be held throughout the year. Please see your child’s teacher for an opportunity to help.
Invitations to private parties should not be passed out on campus unless every boy, or girl (or both) in your child’s class receives one. Too many feelings are hurt needlessly when children are excluded.

DISMISSAL/PICKUP

The education and safety of your children are of the utmost importance to all the faculty and staff of San Angelo Christian Academy. The following procedures will be followed on a daily basis to ensure that your child is adequately supervised once he/she has been dismissed from school.

- Pre-kindergarten students will be dismissed at 2:15PM. All other grades will be dismissed at 3:30PM.

- Primary teachers will release their students from the front of the Primary building each day to go home with parents, designated pick-up persons, or to After-School Care.

- Secondary students will be dismissed at 3:30PM, and should be picked up in front of the secondary building.

- Please come from the north end of the parking lot to drop off and pick up children. **DO NOT U-TURN**; exit to the south.

  - **No Primary students will be allowed to wait in front of the building for pick-up after 3:40PM.**

- If your child has not been picked up from the school within ten minutes of afternoon dismissal, he/she will be sent to After-School Care and appropriate charges will be applied.

AFTER-SCHOOL CARE

After-School Care uses SACA facilities, and is a separate program of San Angelo Christian Academy. It is operated by Mrs. Grace Marlatt. After-School Care has its own rules, paperwork requirements and fees.
After-School Care accepts drop-ins as well as regularly scheduled participants. There are charges for drop-in care and proper paperwork must be filled out in advance.

Please contact the school office for a detailed fee schedule and more information about After-School Care.

**GRADING AND REPORTING**

For Pre-K, Kindergarten, and First grades, Portfolio Assessments are sent home four times a year, at the end of each reporting period. Starting with second grade, report cards are sent home four times a year, at the end of each reporting period. Report cards and portfolios are to be signed by a parent or guardian and returned to the teacher, except at the end of the school year when they should be kept by the parents for future reference.

Progress reports will be sent home at the mid-point of each reporting period for all students. There will be a Student Holiday/Teacher Workday for conferences on **October 11, 2019**. There will be Noon Releases for conferences on **January 17** and **March 20, 2020**. See your school calendar for more information.

San Angelo Christian Academy also provides parents online access to their student's teacher, grades, assignments, school events and more with MySchoolWorx.

To log into MySchoolWorx, parents must first provide the school with an active email address. Parents will then receive an invitation via email to create their own log in credentials, and will be able to securely access MySchoolWorx from any computer, smartphone or tablet. MySchoolWorx provides parents help and support at [http://support.myschoolworx.com/](http://support.myschoolworx.com/)

A combination of letter and numerical grades will be used according to each class and subject. The explanation of grades is as follows:

HOMEWORK

Homework serves two purposes. First, students have an opportunity through drill to reinforce knowledge of material and processes already taught in class. Second, it is an opportunity to pursue assignments independently.

The amount of time a child needs to do homework varies with the individual. Homework will not be given on Wednesdays. We want our families to have the opportunity to attend Wednesday night Bible study. Parents will be given advance notice if a child’s presence is required after school to finish assigned work.

CLASS RANK/HIGHEST RANKING GRADUATE

The selection of valedictorian and salutatorian to be recognized during graduation activities and ceremonies is not an essential component of education and therefore not a right similar to the right to receive an education.

Therefore, to be eligible for these honors, the student must have attended San Angelo Christian Academy for their final three years. If a student has not attended SACA for their final three years but is the highest ranking graduate, under state law they will be eligible to receive the Highest Ranking Graduate program award.

SACA will declare class rank after the 3rd quarter of the graduating class’ senior year. Early enrollment courses and dual credit classes (are weighted courses which receive 10 points added to the student’s final class average; beginning with classes taken in the Fall of 2018) will be included to calculate class rank. Spring Mid-term dual credit grades will be included in calculation of class rank.

NATIONAL HONOR SOCIETY

The National Honor Society is a national organization founded to recognize excellence in academics and outstanding leadership qualities. Students who are selected to membership should exemplify superiority in scholarship, service, leadership, and character. Membership in the National Honor Society is a privilege, and not a right, for the students at SACA. To be eligible for membership in the SACA chapter, a student must be a sophomore, junior, or senior who has a cumulative weighted GPA of 95 or
higher. (All Dual Credit and Early Enrollment courses will receive an additional 10 points added to the final average; beginning with courses offered in the 2018-2019 fall semester.)

**TAAPS REQUIREMENTS**

San Angelo Christian Academy is a member of The Texas Association of Private and Parochial Schools (TAAPS). The TAAPS organization serves to organize, stimulate, encourage, and promote academics, athletics, and fine arts in students. **As a member of TAAPS, all high school students are required to comply with all TAAPS rules and regulations.** These may include; sports physicals, and the signing of, and abiding by, all TAAPS rules and regulations. For more information, go to [www.tapps.biz](http://www.tapps.biz)

You are in school to earn an education. You must meet all TAPPS and SACA eligibility requirements in order to participate in TAPPS sponsored extracurricular activities. Extracurricular activities include public performances, contests, demonstrations, displays and club activities. Students must be passing all courses to be considered eligible.

Should a student become ineligible by having a failing grade at grading period, the length of time for ineligibility after a grading period shall be at least three weeks. If after three weeks, the student is passing all subjects they regain eligibility; if not then they remain ineligible till the next grading period.
FIELD TRIPS

Educational Field Trips enhance classroom activities and are encouraged at San Angelo Christian Academy. Parents are notified about upcoming Field Trips through the monthly newsletter or the Monday Notes. At the beginning of each year, parents will be asked to sign a “General Waiver” that will cover all single day trips during the year.

All field trips will be properly supervised. Purple SACA t-shirts and jeans must be worn on Field Trips. This helps chaperones keep track of students.

Students participating in fieldtrips will generally be transported on the Southgate church bus or Southgate vans. However, parents may occasionally be asked to assist in providing transportation.

OVERNIGHT FIELD TRIPS

Overnight Field trips are a privilege, and not a right, for students at SACA. Overnight field trips require a permission slip (for each trip) signed by the parent or legal guardian, and the student. The school handbook and guidelines for disciplinary action remain in effect on all trips.

Overnight field trips will include gender specific chaperones. The number of chaperones needed, and the gender/s needed will be determined by the Administrator after reviewing the number of students and gender/s of students participating in the event. The Administrator will recruit and assign chaperones for each overnight trip.

During school sponsored overnight trips, students and chaperones will be accounted for both periodically and when activities or locations change. Curfew and room checks will be put in place. All students on overnight Field trips will be transported by SACA faculty, staff, or approved chaperones.

Students may not take their own vehicles on overnight trips.
### DISCIPLINE

San Angelo Christian Academy exists primarily for the purpose of making Christian principles the dominating influences in the lives of its students. Disciplinary guidelines are deemed necessary by the Board and Administration of SACA:

- for the orderly operation of the school
- for physical safety
- for the establishment of an atmosphere conducive to learning
- and for the accomplishment of our stated purposes

In order for effective teaching to occur, order must be maintained in the classroom. Teachers make every effort to handle their own discipline. They have full authority and responsibility to correct student behavior whenever such correction is necessary. If the behavior persists or escalates, then the student will be referred to the office.

Disciplinary action will be administered as uniformly and consistently as possible, while at the same time recognizing that each student and each incident must be assessed individually in regard to background, attitude, and repetition.

Disciplinary action can include: a verbal or written warning, notification of parents, and/or serving lunch or after school detention. Corporal punishment, suspension (ISS-in school or at home), probation, or expulsion will be enforced by Administration or designee. It should be noted that some offenses are considered to be of such serious nature that they may warrant suspension or expulsion following the first incident.

San Angelo Christian Academy has disciplinary authority over a student:
- During lunch periods in which a student is allowed to leave campus.
- While the student is in attendance at any school-related activity, regardless or time or location.
- For any school-related misconduct, regardless of time or location.
- When retaliation against a school employee, board member, or volunteer occurs or is threatened, regardless of time or location.
- When a student engages in bullying or cyberbullying, as provided by Texas Education Code 37.0832.
- When criminal mischief is committed on or off school property or at a school-related event.
SACA has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable cause to believe it contains articles or materials prohibited by SACA. SACA has the right to search a student’s locker or desk when there is reasonable cause to believe it contains articles or materials prohibited by SACA.

**Standards for Student Conduct**

Each student is expected to:

- Demonstrate courtesy, even when others do not.
- Behave in a responsible manner, always exercising self-discipline.
- Attend all classes, regularly and on time.
- Prepare for each class; take appropriate materials and assignments to class.
- Meet SACA standards of grooming and dress.
- Obey all campus and classroom rules.
- Respect the right and privileges of students, teachers, staff and volunteers.
- Respect the property of others, including SACA property and facilities and Southgate Church of Christ property and facilities.
- Cooperate with and assist the school staff in maintaining safety, order, and discipline.

Students shall not mistreat others:

- Using profanity or vulgar language or make obscene gestures.
- Cheating, copying or plagiarizing the work of another.
- Fighting or scuffling.
- Threatening a student, employee, or volunteer, including off school property, if the conduct causes a substantial disruption to the educational environment.
- Engaging in bullying, harassment.

WEAPONS

SACA will not tolerate any use or possession of any weapon, while on campus or at any school-sponsored activities, (unless granted permission from Administration for purposes such as art projects, etc.) A weapon is defined as, anything designed or used for inflicting bodily harm or physical damage.

San Angelo Christian Academy will not tolerate possession or igniting of fireworks on school campus or at school events.

Violation of this policy will include confiscation of the weapon and notification of parents. Discipline for violation of this policy could include up to an immediate suspension.
Participation in Graduation Activities

San Angelo Christian Academy has the right to limit a student’s participation in graduation activities for violating SACA’s codes, policies, and procedures.

Participation might include a speaking role. Students eligible to give the opening and closing remarks or speaker introductions, perform the national anthem, lead prayers, etc. at graduation shall be notified by the campus administrator.

Notwithstanding any eligibility requirements, in order to be considered as an eligible student to participate in the ceremony as a speaker, a student shall not have engaged in any flagrant misconduct in violation of SACA’s codes, policies, and procedures, during the semester immediately preceding graduation.

The valedictorian and salutatorian may also have speaking roles at gradation. No student shall be eligible to have such a speaking role if he or she engaged in any flagrant misconduct in violation of SACA’s codes, policies, and procedures, during the semester immediately preceding graduation.
**DRUG, ALCOHOL AND TOBACCO POLICY**

Drug, alcohol or tobacco possession, or use by students or employees is forbidden by San Angelo Christian Academy.

Students and employees are prohibited from possessing or using any type of tobacco product, electronic cigarettes (e-cigarettes), or any other electronic vaporizing device (vapes), and any component, part, or accessory for an e-cigarette or electronic vaporizing device while on school property at any time or while attending an off-campus school-related activity.

**SACA will not tolerate possession, use, distribution, or sale of illegal drugs**, whether on campus or at other school-sponsored activities. Discipline for violation of this policy, even in the case of the first offense, could be immediate suspension.

In the case of suspension, the student may re-apply for admission at the beginning of the next school year. Involvement with drugs, or the suspicion of the same, will require mandatory notification of parents. Also, at any time SACA can require any student or faculty member to undergo a drug test. Any conviction, uncontested resolution, or deferred adjudication for violation of a state or federal law will result in immediate suspension for at least the remainder of the school year.

Students who need drug and/or alcohol counseling, treatment or rehabilitation or need further information concerning the health risks associated with drug and alcohol abuse may obtain information about such through the administration office of the school.
HARASSMENT

San Angelo Christian Academy will not tolerate harassment of, or by, its employees and students. Any form of harassment related to an individual's race, color, sex, religion, national origin, age, or disability is a violation of this policy and will be treated as a disciplinary matter.

For these purposes, the term harassment includes, but is not limited to slurs, jokes, and other verbal, graphic or physical conduct. Sexual harassment includes unwelcome sexual advances, jokes, statements or remarks, or other actions either verbal or physical, which create an intimidating, hostile or offensive working/academic environment.

Cyberbullying will also be considered a violation of SACA's harassment policy.

Violations of this policy by an employee or student shall subject the employee or student to disciplinary action, up to and including immediate discharge from work or expulsion from school. If one believes that he/she is being harassed by another employee or student, this should be made known to the administrator within twenty-four hours. This matter will be investigated, and where appropriate, disciplinary action taken.

Harassment of employees or students in connection with their work or school activities by non-students should be reported to the administration within twenty-four hours. The administration will take appropriate action immediately.

Do not assume the administration is aware of the harassment. It is the responsibility of every employee and student to report any questionable incidents.

All allegations will be promptly, objectively, and confidentially investigated. If the person is not satisfied with the way the report has been handled by the administration, the matter can be taken to the grievance committee of the Board of Directors.
**BULLYING (All Grade Levels)**

Bullying occurs when a student or group of students engages in written or verbal expression, expression through electronic methods, or physical conduct against another student.
• Results in harm to the student or the student’s property
• Places a student in reasonable fear of physical harm or of damage to the student’s property
• Is so severe, persistent, and pervasive that it creates an intimidating, threatening or abusive educational environment

This conduct is considered bullying if it exploits an imbalance of power between the student perpetrator(s) and the student victim and if it interferes with a student’s education or substantially disrupts the operation of the school.

Bullying is prohibited by the Academy and could include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name-calling, rumor-spreading, or ostracism. In some cases, bullying can occur through electronic methods, called “cyberbullying.” Hazing will also be considered an act of bullying.

If a student believes that he or she has experienced bullying or has witnessed bullying of another student, it is important for the student or parent to notify a teacher, administrator, or another SACA employee as soon as possible to obtain assistance and intervention. The administration will investigate any allegations of bullying or other related misconduct.

If the results of an investigation indicate that bullying has occurred, the administration will take appropriate disciplinary action. Disciplinary or other action may be taken even if the conduct did not rise to the level of bullying. The Academy will also contact the parents of the victim and of the student who was found to have engaged in the bullying. Available counseling options will be provided to these individuals, as well as to any students who have been identified as witnesses to the bullying.

Any retaliation against a student who reports an incident of bullying is prohibited.

**ELECTRONIC DEVICES AND TECHNOLOGY RESOURCES**

Students are expected to do the following when using any computer on campus:

• Take great care of all technology equipment.
• Do not damage the equipment in any way or weaken its utility.

• Use only software legally available through the network.
• Students should not bring games to play on the system without permission of a teacher for educational reasons.
• Students should use only the programs a teacher places on their menu.
• Students may not leave campus with any school technology without permission from the SACA administrator.

UNACCEPTABLE AND INAPPROPRIATE USE OF TECHNOLOGY RESOURCES

Students are prohibited from possessing, sending, forwarding, posting, accessing, or displaying electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another’s reputation, or illegal, including cyberbullying and “sexting,” either on or off school property.

This prohibition also applies to conduct off school property, whether the equipment used to send such messages is school-owned or personally owned.

Any person taking, disseminating, transferring, possessing, or sharing obscene, sexually oriented, lewd, or otherwise illegal images or other content, commonly referred to as “sexting,” will be disciplined and, in certain circumstances, may be reported to law enforcement.

Because engaging in this type of behavior can lead to bullying or harassment, as well as possibly impede future endeavors of a student, we encourage you to review with your child 'Before You Text' Sexting Prevention Course, a state-developed program that addresses the consequences of engaging in inappropriate behavior using technology. This can be found online at www.txssc.txstate.edu/tools/courses/before-you-text/

In addition, any student who engages in conduct that results in a breach of SACA’s computer security will be disciplined and, in some cases, the consequence may rise to the level of expulsion.

INTERNET USE
The use of the Internet is a privilege, not a right. Inappropriate use will result in a cancellation of those privileges. SACA reserves the right to temporarily or permanently suspend a user from the Internet to prevent any further unauthorized activity.

From time to time, SACA will make determinations on whether specific uses of the Internet are consistent with the acceptable use practice. SACA reserves the right to log Internet use and to monitor file server space utilization by users while respecting the privacy of user accounts.

Use of any information obtained via the Internet is at your own risk. SACA specifically denies any responsibility for the accuracy or quality of information obtained through the Internet. SACA exercises no control whatsoever over the content of the information residing on the Internet. All communications and information accessible via the Internet should be assumed to be the private property of the originator.

Internet accounts are to be used only by the authorized owner. Users shall not intentionally seek information on, obtain copies of, or modify files, other data, or passwords belonging to other users, or misrepresent other users.

No use of the Internet shall serve to disrupt the use of the Internet by others; hardware and/or software shall not be destroyed, modified, or abused in any way.

The following are prohibited by SACA:

- Tampering with files belonging to other people is strictly forbidden, and the offender is subject to discipline.
- Any use of the Internet for profit-making purposes is prohibited.
- Use of the Internet for personal and private business is prohibited.
- Malicious use of the Internet to develop programs that harass other users or infiltrate a computer or computing system and/or damage the software components of a computer system is prohibited.
- Hate mail, harassment, discriminatory remarks, and other antisocial behaviors are prohibited on the Internet.
- The illegal installation of copyrighted software for use on computers is prohibited.
- Use of the Internet to access or process pornographic material, inappropriate text files, or files dangerous to the integrity of the local area network is prohibited.
- Any attempt to disable or circumvent software or hardware meant to limit access to inappropriate materials is prohibited.

**BUSINESS TELEPHONE USAGE**
In order to limit personal calls, students are asked to make arrangements for school activities, needed materials, etc. before leaving home. Students may use the business phones for emergency purposes or whenever a teacher, employee or administrator deems it necessary. The office will promptly and properly convey any emergency or important messages to students. Please contact the SACA office first in the event of an emergency.

**POSSESSION AND USE OF PERSONAL TELECOMMUNICATIONS DEVICES, INCLUDING MOBILE TELEPHONES**

For safety purposes, San Angelo Christian Academy permits students to possess personal mobile telephones; however, these devices must remain turned off during the instructional day, including during all testing, unless they are being used for approved instructional purposes. SACA faculty have the right to temporarily collect personal mobile phones during instructional periods. A student must have approval to possess other telecommunications devices such as netbooks, laptops, tablets, or other portable computers.

Use of mobile phones are not permitted in the cafeteria or at chapel by any student at any time. Secondary students who have the privilege of outside and off campus lunch may use their phones during that time when they are outside SACA buildings. Students are required to put away their phones upon entering any school building during the lunch period.

The use of mobile telephones or any device capable of capturing images is strictly prohibited in locker rooms or restroom areas while at school or at a school-related or school-sponsored event.

In limited circumstances and in accordance with law, a student’s personal telecommunications device may be searched by authorized personnel.

SACA is not responsible for damaged, lost, or stolen telecommunications devices.

**Phones on without permission will be confiscated and held in the SACA office.**

- First Offence: Student may pick up the phone from the office after school that day.
- Subsequent Offences: Phones will only be released to a parent.

**POSSESSION AND USE OF OTHER PERSONAL ELECTRONIC DEVICES**
Students are not permitted to possess or use personal electronic devices such as MP3 players, video or audio recorders, DVD players, cameras, games, e-readers, or other electronic devices at school, unless prior permission has been obtained.

Without such permission, teachers will collect the items and turn them in to the Administration office. The Administrator will determine whether to return items to students at the end of the day or to contact parents to pick up the items.

In limited circumstances and in accordance with law, a student’s personal electronic device may be searched by authorized personnel. SACA is not responsible for any damaged, lost, or stolen electronic device.

**INSTRUCTIONAL USE OF PERSONAL TELECOMMUNICATIONS AND OTHER ELECTRONIC DEVICES**

In some cases, students may find it beneficial or might be encouraged to use personal telecommunications or other personal electronic devices for instructional purposes while on campus.

Students must obtain prior approval before using personal telecommunications or other personal electronic devices for instructional use. When students are not using the devices for approved instructional purposes, all devices must be turned off during the instructional day.

**SACA UNIFORM POLICY, DESCRIPTION, AND DRESS CODE**
Students must abide by the School Uniform and Dress Code. Students at San Angelo Christian Academy are required to wear a board approved uniform. This decision was made for many reasons. The uniform:

- dispenses with competition due to outward appearance
- emphasizes the development of the inner person
- develops and reflects a worthy self-image
- enhances school spirit
- encourages good deportment
- serves as an economy measure for parents
- gives the student a distinctive appearance
- is symbolic of a student’s acceptance of authority over him/her

The Dress Code is required to ensure that emphasis is placed upon the character traits of modesty, personal neatness, and cleanliness.

The uniform is to be treated and worn with respect. Any item that is worn to school must not undermine the integrity of the school uniform or serve as a disruption to the educational process.

Any clothing, button, jewelry, or other item that promotes something against the philosophy of SACA should not be worn. Students may be asked to remove or cover any items (i.e. jewelry, buttons, etc.) deemed inappropriate.

If students are dressed immodestly or inappropriately for school, the student will be provided with acceptable clothing when available or, parent will be contacted.

The SACA School Uniform Policy and Dress Code will be strictly enforced. If a student’s dress or hair does not conform to dress code standards, he/she will be reminded of the code. If the situation is not remedied in a timely manner, the student will not be allowed to attend class until the problem has been corrected. The student will be given unexcused absences in classes missed because of dress code infractions.

The administration of San Angelo Christian Academy will have the final determination as to appropriate attire for daily wear and special occasions.

PERSONAL APPEARANCE
Simple jewelry, ornamentation, and make-up are appropriate and must be worn in a manner that does not undermine the integrity of the uniform policy. Earrings of any kind are prohibited for boys on campus or at any school-sponsored activities. Girls are limited to two earrings in each ear. Tattoos and jewelry associated with body piercing should not be visible.

Hair for both boys and girls will be clean, well-groomed, and not covering the eyes. Hair color and style for both boys and girls should not be distracting or undermine the integrity of the uniform policy. No unnatural hair color.

Hair length for boys is considered part of the uniform; therefore, hair may not be longer than the bottom of the collar in the back, off the shoulder, bottom of ears showing and out of the eyes.

Students will be clean shaven; beards and mustaches are not allowed. Sideburns will be kept trimmed no longer in length than the bottom of the ear.

Sunglasses, caps, or hoods should not be worn in the building and may be confiscated.

**SHOES**

Shoes will be worn at all times. Parents should be aware that students play outside every day that the weather permits. Open-toe and open-heel shoes are not forbidden, but do lend themselves to more injuries when running and climbing.

Flip-flops and shoes with high heels should not be worn to school.

Tennis shoes should either be worn to school or brought to be put on before PE.

**JACKETS/COATS AND HOODIES/PULLOVERS**

Jackets/coats may be worn in the classroom. They must be capable of completely opening in the front in order that the uniform shirt is at least partially visible. Please make sure they are not inappropriate or distracting. Only SACA hoodies/pullovers may be worn to school.

If a teacher/staff member feels a jacket/coat is distracting, the student will be asked to remove it.

- Tennis shoes.

In cold weather, gray or purple sweat suits or wind suits are acceptable. Also, long sleeve gray or purple shirts may be worn under the P.E. Uniform t-shirt. MEDICAL INFORMATION
San Angelo Christian Academy will follow all State and Federal guidelines regarding all routine health screenings. These screenings will include: Vision, Hearing, Scoliosis and Acanthosis Nigracans/Type two D.M. in children.

**IMMUNIZATION RECORDS**

*State law requires that each student have an up-to-date Immunization Record or current Conscientious Exemption Affidavit Form on file in the school office.*

The school nurse will keep these records and will contact you if we discover a record is needed or if a student needs a booster shot. However, it is the parent’s responsibility to make sure all immunizations are kept current.

The school is audited on these records by the Texas Department of Health so it is important that you cooperate in providing adequate records and in keeping your child’s booster shots current.

**MEDICATIONS**

The school is not allowed to give any type of medication to students without consent from the parent. At the time of registration, parents must indicate on the registration card whether or not their child is to be given non-prescription medicines such as Tylenol at school. Parents should notify the office if a specific non-prescription medicine should not be given. If a child brings medication to school, it must be brought to the office for dispensing. EPI Pens and Inhalers may be kept with the student; on their person or in their backpack.

**EXCEPT FOR INHALERS AND EPI PENS, NO MEDICATION MAY BE KEPT IN THE POSSESSION OF THE STUDENT.**

All medication must be in the original container with instructions for administering. If the parent chooses to have the non-prescription medicine given in some way other than the printed instructions on the container, a signed and dated note detailing specific dispensing instructions must be brought to the office before any change is made. Prescriptions drugs will only be given as indicated on the label.

**STUDENT ILLNESS**
Any student who has a fever of 100.0 degrees or more, has vomited, had diarrhea, or who has any other communicable illness may NOT remain at school. A parent will be called to pick up the ill student from school as soon as possible.

Students must be free of fever, vomiting, and/or diarrhea for a MINIMUM of 24 hours before returning to school.

When a child has conjunctivitis (pink eye) he/she must be on medicated drops for 24 hours before returning to school.

Children identified with live lice and/or nits shall be sent home immediately. SACA will provide information on treatment procedures. Children must be free of live lice and all nits must be removed from the hair before the student may return to school.

When the student returns to school, the student shall be re-examined. If the student is free of lice and virtually nit-free, the student may return to class. If not, they shall be sent back home for re-treatment.

Re-treatment is required 9-10 days after initial treatment to be sure all nits have been removed. Students who have been treated for lice will be examined on the tenth day back at school before attending their first-period class to confirm that they are lice-free. The school nurse and office personnel will keep track of this ten-day period and will check for new infestation.

SERVICES FOR STUDENTS
COUNSELING

San Angelo Christian Academy has counseling services available to every student upon need or request. Please contact your child’s teacher or the administrator to discuss your child’s specific need.

LIBRARY

All SACA students have access to and are encouraged to use the campus library. Primary classes are scheduled a weekly library time. **Accelerated Reader** program is used to encourage each student to become a person who loves to read. This program requires the students to take a simple test over every book they read. Points are awarded for each book read and tested. There are various award levels; some class teachers may choose off-campus activities at the end of the school year for those who have achieved the required amount of points. We **strongly encourage** parent involvement in the AR program.

NEWSLETTER

A monthly calendar and list of activities will be sent home at the end of each month for listing the activities for the upcoming month.

A newsletter will be sent home weekly on MONDAYS to inform parents of activities and provide information concerning activities planned for the week. **If you would like to receive the newsletter electronically, please go to the website and follow the instructions at the bottom of the home page.** The Monday Note, as well as reminders about special events, will be emailed to you. Parents are **strongly encouraged** to read all Monday notes.
