

UPDATED COVID-19 GUIDELINES

*If you **test positive** for COVID-19 (**Quarantine at home**)*

Everyone, regardless of vaccination status.

- Stay home for 5 days.
- If you have **NO** symptoms (including fever) after 5 days, you can return to school. If you have a fever, continue to stay home until your fever completely resolves and you are **fever free for at least 36 hours**.
- You must continue to wear a mask around others for an additional 5 days.

*If you were **exposed** to someone with “known” COVID-19 (**Quarantine at home**)*

If you are unvaccinated:

- Stay home for 5 days.
- If after 5 days you have **NO** symptoms you can return to school.
- You must continue to wear a mask around others for 5 additional days.

If you develop symptoms get tested and stay home.

If you were exposed to someone with “known” COVID-19 and you have been completely vaccinated and/or received your booster, you are not required to quarantine.

- You can continue your usual activities (including school).
- Wear a mask for 10 days

If you develop symptoms get tested and stay home.

Remember... Parents please do not send your student/s to school sick. If they have fever from any illness other than COVID-19, they should not return to school until they have been fever free for ***at least 24hrs., (for COVID it is 36 hrs.) without the assistance of fever reducing medications.***

If you have a need for COVID-19 testing and do not have the resources to do so, the school does have a contract with Concho Valley ER. Please contact us for more information.
